Definitions

“Number of Students Who Began Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students available for graduation” is the number of students who began program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates available for employment” means the number of graduates minus the number of graduates unavailable for employment.

“Graduates unavailable for employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates employed in the field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, are for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the sixth months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

STUDENT'S RIGHT TO CANCEL

Students have the right to cancel their enrollment agreement with the school, and obtain a refund of tuition and other charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. You may cancel this Enrollment Agreement or withdraw from the institution, and receive a refund of charges paid, if applicable, by informing the Registrar's Office. The notification must be made in writing, and should be addressed to Yeshiva Ohr Elchonon Chabad, ATTN Rabbi Chaim Citron, 7215 Waring Avenue, Los Angeles, CA 90046. The amount of the refund, if any, will be determined by the policy below.

INSTITUTIONAL REFUND POLICY

Institutional charges for students who withdraw are adjusted according to the following schedule:

The institution shall refund 100% of the amount paid for institutional charges, less \$250 of the registration fee, if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later.

Students who withdraw after this period may receive a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges. If the student completed 60 percent or less of the period of attendance, a pro rata refund will be calculated. Refunds will be calculated on a pro rata basis, based on how many days of the semester the student attended as follows:

1. The number of days that the student attended divided by the number of days in the semester equals the percentage attended.
2. The student's institutional charge for the semester, less \$250 nonrefundable registration fee multiplied by the percentage attended equals the adjusted institutional charges.
3. The student's institutional charges for the semester minus the adjusted charges equals the refund (adjustment to the institutional charge.)

All amounts paid by the student in excess of what is owed as calculated shall be refunded. This applies to students who have completed 60% or less of the period of attendance. (For example, if the student completes only 30% of a course, was charged and paid \$500 tuition, the student would receive a refund of \$350.)

Students who withdraw after 60% of the semester has passed are responsible to pay for all charges for that semester.

All amounts that a student has paid are subject to refund aside from amounts paid for an application fee of \$250.00, the cost of books, supplies, or equipment. Except when the institution provides a 100% refund pursuant to section 94919(d) or section 94920(b) of the Code, any assessment paid pursuant to section 94923 of the Code is non-refundable.

The school will also refund money collected for sending to a third party on the student's behalf such as license or application fees.

If the school cancels or discontinues a course of educational program, the school will make a full refund of all charges. Refunds will be paid within 45 days of cancellation or withdrawal.

If as a result of the student's withdrawal, his Cal Grant exceeds his adjusted tuition charge, the amount that exceeds his tuition charge will be returned to the Commission. The institution will report the changes to the Commission through the "Grants Records Changes" screen in WebGrants.

If a student obtains a loan to pay for an educational program, the student will have to repay the full amount of the loan plus interest, less the amount of any refund, and if the student receives federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds.
