TRANSFER CREDIT POLICY

Students wishing to transfer credits from other institutions of Talmudic Studies must be interviewed by a designated administrator or faculty member, and satisfactorily complete either an oral or written examination. Transfer credits are generally accepted from Talmudic colleges accredited by the Association for Advanced Rabbinical and Talmudic Schools (AARTS) or from colleges that can demonstrate to the satisfaction of YOEC that the quality and content of their courses are substantially similar to the courses offered in the YOEC program. There is a 60 credit residency requirement to earn the Bachelor's degree at Yeshiva Ohr Elchonon Chabad. Thus, 60 credits is the maximum number of transfer credits that can be awarded.

At this time, YOEC does not have any articulation agreements with other postsecondary institutions for the purpose of recognizing transfer credits.

Decisions regarding transfer credits are subject to the same appeals process described in the catalog.

The institution does not award credits for prior experiential learning.

NOTICE CONCERNING TRANSFERABILITY OF CREDITS AND CREDENTIALS EARNED AT OUR INSTITUTION

The transferability of credits you earn at YOEC is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the degree you earn in YOEC's Bachelor of Rabbinical Studies program is also at the complete discretion of the institution to which you may seek to transfer. If the credits or degree that you earn at this institution are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending YOEC to determine if your credits or degree will transfer.
